

## Public Outreach Meeting for Reviewing the Vision, Goals, and Objectives of the Boston Region MPO Long-Range Transportation Plan

The Boston Region Metropolitan Planning Organization (MPO) is convening a forum to discuss the future of transportation in the Boston region. Topics will include the MPO's vision for the region's transportation system over the next 25-years, goals that support progress toward the vision, and objectives that define how each goal will be accomplished. These will guide development of the MPO's Long-Range Transportation Plan (LRTP). Other topics related to the LRTP, including its development schedule, will be discussed. This forum is sponsored by the Boston Region MPO in collaboration with the Metropolitan Area Planning Council.
