

## MPO Public Outreach

You can provide input to the future of transportation in the Boston region at upcoming public workshops.

Please attend and share your views.

Staff from the Boston Region Metropolitan Planning Organization (MPO) will answer questions and gather comments about important regional transportation planning documents that will be available for public review and comment through June 19, 2014.

- The draft federal fiscal years 2015–18 Transportation Improvement Program (TIP)
- The draft federal fiscal year 2015 Unified Planning Work Program (UPWP)

The TIP establishes the list of highway and transit projects in the Boston region that will receive federal funding. The UPWP establishes the list of transportation-planning studies to be conducted in the region.
