

EXISTING VIEWS ON THE CORRIDOR AND PROPOSED, IMPROVED CORRIDOR

EXISTING STREET AND PROPOSED BIKE/PEDESTRIAN WAY - A COMPLETE STREET

## Pond Street - Ashland/Route 126

Project #604123, Ashland, Mass. Project Update May 2015–Feb. 2018

- Non-participating costs for the lighting and landscape programmed in Town Capital Improvement Plan FY2020
- Town Meeting appropriated funds for electrical design costs for the lighting system – November 2017.
- Planning Board programmed zoning review for Route 126 for 2019 Fall Town Meeting to fully leverage the project's economic development potential.
- Town Manager sent letter to District 3 confirming the Town's non-participating costs commitment - July 2017
- Board of Selectmen commit to paying the non-participating costs for decorative lighting - July 2017
- Pond Street Project Working Group presented update to Board of Selectmen - July 2017
- Pond Street Update on *Around the Clock* (WACA Cable TV Show) Selectwoman Yolanda Greaves – June 2017.
- MassDOT Public Hearing – residents attended a standing room only Public Comment Hearing - December 2016
- Town of Ashland initiative to promote the MassDOT Public Hearing:
  - ☑ Lawn sign campaign (50) – November 2016
  - ☑ Notification to JACC – Joint Association of Condominium Communities – November 2016
  - ☑ Updates in MetroWest Daily News and Ashland Local – November 2016
- Over 60 residents attend public forum in June 2016 hosted by the Town. Support was overwhelmingly positive.
- Participation at the MPO meetings by Selectmen, Town Planner and Project Working Group members – ongoing
- Pond Street Project Working Group meetings – ongoing

Resident support continues to be unanimous and we anxiously await project construction.
